Acumatica
The Cloud ERP

Acumatica Cloud ERP provides the best business management solution for transforming your company to thrive in the new digital economy. Built on a future-proof platform with open architecture for rapid integrations, scalability, and ease of use, Acumatica delivers unparalleled value to small and midmarket organizations. **Connected Business. Delivered.**
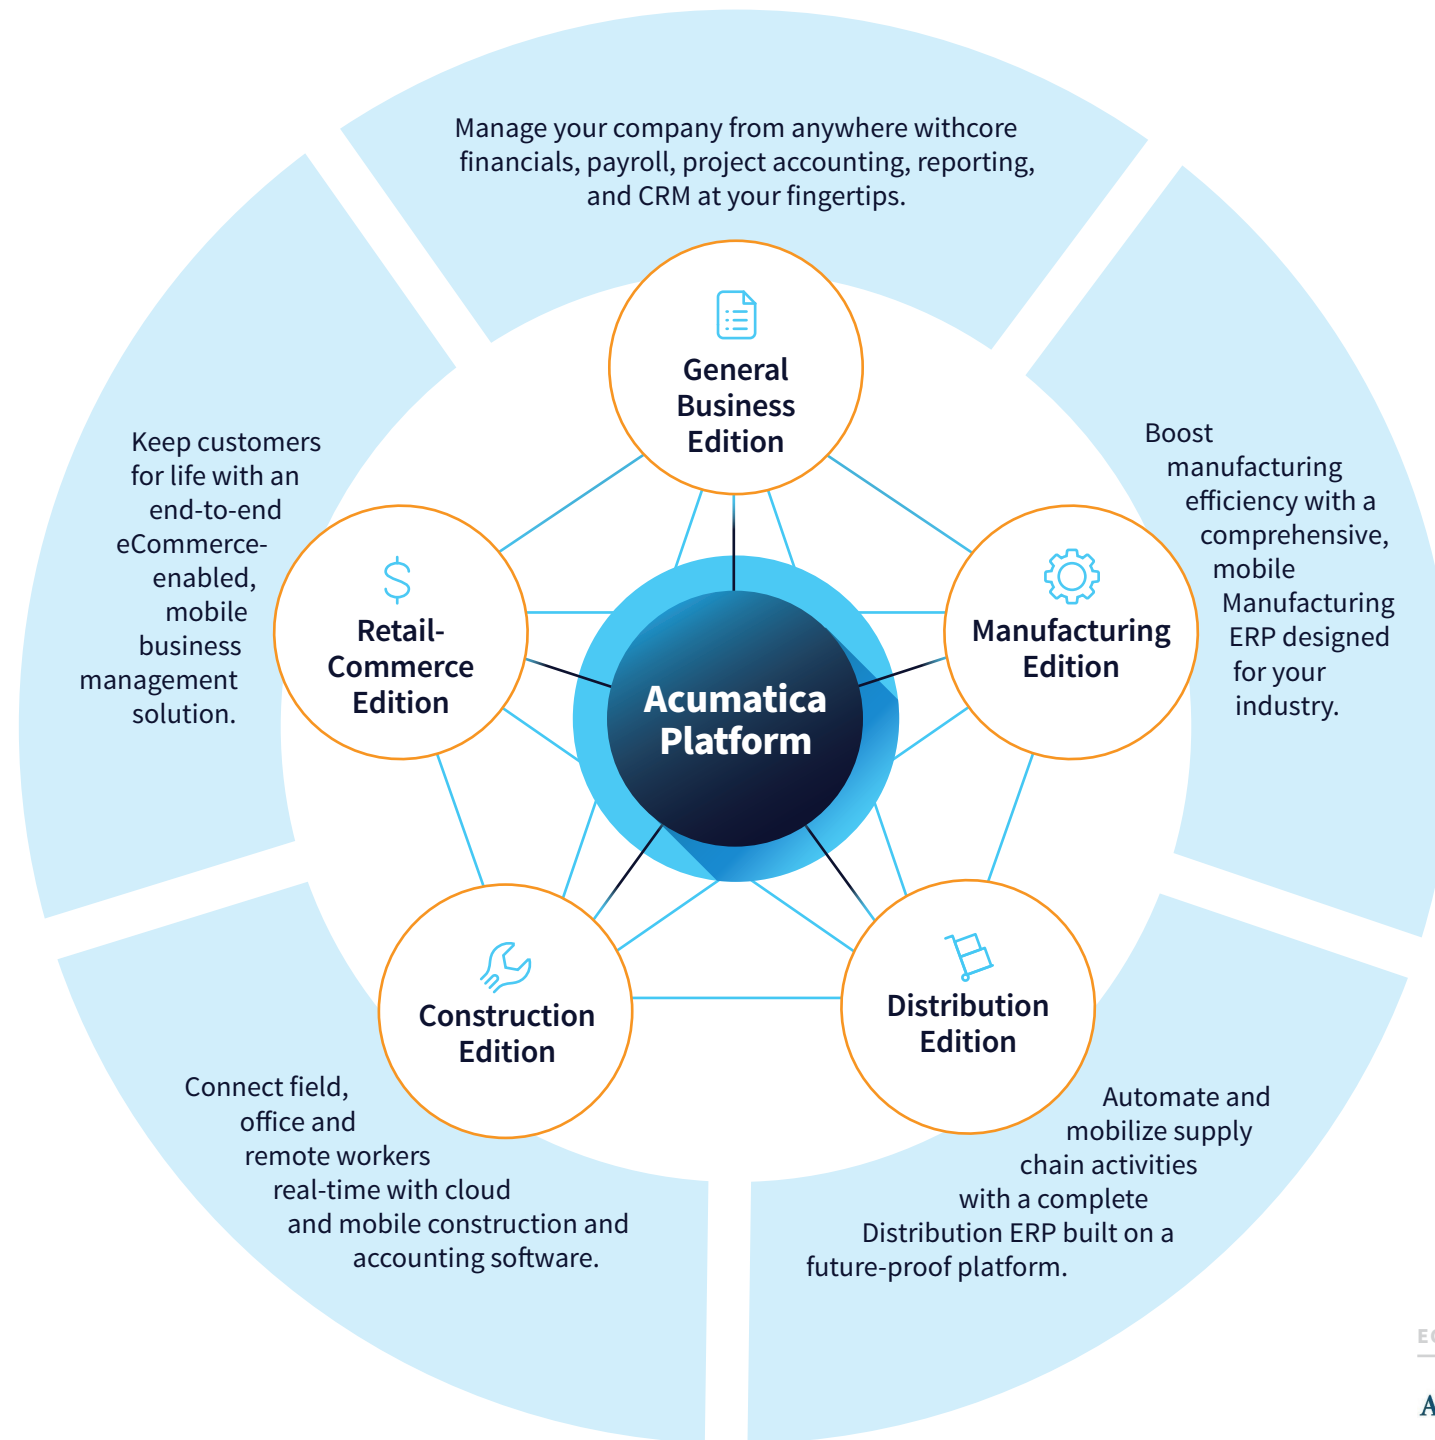

Acumatica Customer Bill of Rights

Our customers have a right to:

1. A readily comprehensible and not frequently modified SaaS end-user license agreement (EULA)
2. A flexible, open platform for rapid integrations
3. Consumption-based licensing that does not inhibit business growth
4. Sustainable pricing with annual increases of no more than 3%
5. ERP implementations without hidden fees
6. Deployment flexibility
7. Ownership of and access to THEIR data, anytime
8. Consistent, 24/7 customer service
9. Local business expertise
10. Dual layers of support

Acumatica Platform

Manage your company from anywhere with core financials, payroll, project accounting, reporting, and CRM at your fingertips.
