Selling a company is stressful, with tight deadlines and endless requests for documents. A lack of preparation on the seller's part can create delays, causing prospective buyers to lose interest or confidence in the deal.

Being organized and ready for due diligence is crucial. A due diligence template provides a comprehensive checklist to ensure you have all the right documents on hand. Don't waste hours compiling your own.

A variety of Industry-specific checklists are provided in Excel and can be edited according to your needs.
